Ely's Cream Balm has been tried and not found wanting in thousands of homes all over the country. It has won a place in the family medicine closet among the reliable household remedies, where it is kept at hand for use in treating cold in the head just as soon as some member of the household begins the preliminary sneezing or snuffing. It gives immedtate relief and a day or two's treat ment will put a stop to a cold which might, if not checked, become chronic and run into a bad case of catarrh,
